ABOUT ROBLOX ELDEN RING: The Elden Ring Online Game is a Roblox game set between the lands of the Elves and the lands of the Human. As a result, the story and gameplay features of the Elden Ring Online Game are based on fantasy elements. If you enjoy this game, I would love it if you joined the Magic, Charms and Feudalism in the Middle Ages for RP-Discussion in the world of Knights. The

Features Key:

 Asynchronous multiplayer. We have optimized our code for multi-player play, so you don't need a dedicated server to share the joy of adventure with friends!
 Play as an elf, halfling, dwarven, human and more. Create a unique character and rise to be an Elden Lord.
 PvP battles. In the battlefield of the Lands Between where who can appear first will lead to the ultimate outcome.
 Epic adventure story. Tarnished Heroes will battle their way through different maps with various enemies, participate in PvP battles, and explore the Fields Between, the same world where the Arahancory of the Lords dwelt.

Unique fantasy weapons. Savage weapons are just a warm up for the epic battle with undead. Be careful though: corrupted weapons may be more dangerous than they appear.
A huge and beautifully designed world. A rich, immersive fantasy fantasy world from the Lands Between where each element of gameplay is distinct. Cast aside your doubts; the journey awaits you!
Interesting characters that follow a fantasy story. You will meet other characters along the way and learn a little bit about their lives, and even become good friends.
A great, fantasy story with a twist. The Lands Between is both a realm of natural law and a world of adventure.
A rich, long-lasting fantasy story that is easy to get into and difficult to put down

★ EXPANDING THE WORLD:

- New bosses are coming!
- New skills await those clever enough to find them!
- A new region is being added, keep posted for more information!
